

Developing a Strong Safety Culture – Half Day Course

Description:

This half (1/2) day face to face course provides an understanding of what is a true Safety Culture in organisations. It is typically characterised by the everyday behaviours of individuals and teams in alignment with organisational safety goals.

Learning Outcomes:

On completion of this course participants will be able to:

- Identify the typical behavioural traits and elements of a strong Safety Culture.
- Assess the behaviours inside the organisation that contribute to a strong Safety Culture.
- Understand why systems and processes alone may not improve Safety Awareness.
- Apply methods to measure WHS perceptions.
- Explain the importance of reporting in a positive work environment.

Training Delivery:

This course can be customised by experienced and qualified safety facilitators to suit your organisational needs. It will include a variety of training delivery methods designed for your working environment and to enable participant interaction.

Investment:

On-site delivery costs (maximum 20 participants). Price on application. Discounts apply to Safety Partnership Program members.

Certification:

Participants will receive a Certificate of Attendance.
